

**CONSTRUCTION SUPERVISION OF JALALPUR IRRIGATION PROJECT**  
**REQUEST FOR EXPRESSION OF INTEREST**

Country: PAKISTAN  
Project Name: Jalalpur Irrigation Project (JIP)  
Consulting Service: Construction Supervision of for Jalalpur Irrigation Project (JIP)  
Deadline for submission: January 18, 2017(Wednesday) by 14:00 hrs of Pakistan Standard Time  
Implementing Agency: Punjab Irrigation Department (represented by Project Director, Project Management Unit (PMU) for LBDCIP, Irrigation Department, Lahore.

The Islamic Republic of Pakistan is in process of acquiring financing for Jalalpur Irrigation Project, from Asian Development Bank (ADB). The part of proceed will cover the consultancy services cost for design review and construction supervision.

The project area, in the form of ribbon, is located in province of the Punjab, situated in the piedmont of Salt Ranges and sandwiched by the left bank of Jehlum River. The project envisages at development of a new non-perennial irrigation system with canals appurtenant and flood management structures for 64,000 ha in Pind Dadan Khan and Khushab Tehsils. The 1,350 cusec, 110 km long main canal off takes from left bank of Rasul Barrages. The distribution system comprises 18 distribution & 3 minor canals of total length of about 180 kms. There are approximately 400 major structures, excluding outlets, in the entire system.

The Feasibility Study had already been carried out by an ADB Technical Assistance and currently, Design consultants are busy in preparing detailed design and construction drawings of the project under ADB - Project Design Advance (loan -6006 PAK). The design review and construction supervision consultants will be recruited in accordance with ADB's *Guidelines on the Use of Consultants (2013 as amended from time to time)* following the Quality and Cost Based Selection –(QCBS) (90:10) procedure. The general scope of consulting services will include but not be limited to design review, pre-contract services, construction supervision in the capacity of “the Engineer”, contract administration & value engineering, monitoring, control and reporting, survey and investigations, advising the Client on all matters relating to the project implementation and audit by authorities and other services to attain the objective of Consultancy Services. The request for expression of interest (REOI) and terms of reference (TOR) for consulting services can be downloaded from PMU for LBDCIP website [www.lbdcip.irrigation.punjab.gov.pk](http://www.lbdcip.irrigation.punjab.gov.pk).

The consulting firms may associate with other firms to enhance their qualifications. Only firms/JVs that have been shortlisted will be subsequently invited to submit technical and financial proposals on the prescribed “Request for Proposal”. The names and addresses of shortlisted firms will also be posted on the ADB's and PMU, LBDCIP websites. The firm having the highest score evaluated on technical and financial scores will be invited to negotiate the contract.

The selected Consultants are expected to be mobilized by December 2017. The major part of design review and pre-contract services will be carried out in initial two (2) months period, after commencement of Services. The stipulated Construction Period will be 48 months exclusive of Defect Notification Period of 12 months. Adding one (1) month for close out, the total period for expiration of consultancy contract will be fifty one (51) months.

The Project Management Unit (PMU) LBDCIP, on behalf of Irrigation Department, Government of the Punjab, invites eligible consulting firms from ADB member countries to express their interest in providing the required consultancy services. For preparation of EOI, ADB's templates must be used, which can be downloaded from <http://www.adb.org/sites/default/files/page/83267/eoi-firm-other-selection-method.doc> (or search adbeoi consulting) Interested firms having sufficient experience and desirous of undertaking the assignment should submit the EOI along with the following information in English language stating background of their organization and professional experts:

- Name, address, telephone and fax numbers and e-mail address of Consultants

- Ownership and organizational structure of the Consultants
- List at least three (3) assignments, related to design/design review and construction supervision assignments undertaken during last 10 years indicating (i) project cost and cost of consultancy services; (ii) share of assignment in case of joint venture; (iii) key staff time input and (iv) description of the nature and scope of work;
- List / short CV's of key relevant staff permanently employed with the firm;
- Audited statements of accounts and annual turnover for the last three (03) years;
- Certificate of Incorporation/Registration of the firm as Legal Entity;
- National Tax Number
- Registration of firm with Pakistan Engineering Council.;
- Undertaking that firm has not been sanctioned or declared ineligible by ADB or debarred by any Government /Semi Government Organization.

Applicants are encouraged to submit their EOI on line through ADB CMS and to deliver their EOI in three (3) hard copies to the address mentioned in this advertisement. Applicants are requested to provide only that material which is specific to the proposed services, and avoid submitting generic promotional literature.

The Consultants key staff is estimated to comprise national experts with minimum input of 542 person-months. The Consultants team may be composed by the positions of Team Leader; Chief Procurement; Chief Quality Auditor; Principal Hydraulic Engr; Principal Geo-technical Engr; Principal Structural Engr; Principal Irrigation Engr; Chief Resident Engr; Resident Engr (3-positions), Principal Safeguard Expert, Senior Quality Auditors and Material Engineer etc.

The Executing Agency (EA) reserves the right to: (i) cancel this recruitment process at any time and interested firms are responsible for all costs incurred arising out of, or in relation to, this request; and (ii) amend or withdraw the terms of reference, budget, this request for EOI, and all attachments at any time.

Interested firms are advised to address their enquiries (not later than 10 days before submission date) and submission to the following address:
